O R D E R:

In the reference 1st read above, the Chief Engineer (Projects), Anantapuramu has informed that the Jeedipalli Reservoir was taken up under Package No.35 under Phase-I of HNSS. The work was completed and water was also stored during 2012. The seepage water from the Reservoir is continuously flowing in the streets of the Jeedipalli village from the foundations of the houses, causing dampness to the walls of the houses and the living conditions have become critical due to water logging, the villagers are expressing much difficulty for living in the existing area and asking for the relocation. The Special Dam Safety Team have visited the Jeedipalli Dam on 21.11.2013 and suggested to implement R&R Package. Therefore, the Chief Engineer has requested for conversion of the Jeedipalli village under R&R Package as a special case.
